Rotary International Foundation is looking for more applicants for the Rotary Centers for International Studies in Peace and Conflict Resolution (World Peace Fellowship) and the Rotary Peace and Conflict Studies Program. In fact they have change the program so applicants can apply for both programs at the same time. Until they have new application forms ready, applicants are to use the ones presently on the website.

Please notify interested applicants of this opportunity. You need to interview them at the club level, complete page 21 of the World Peace Fellowship application or page 17 of the Rotary Peace and Conflict Studies Program application and forward the application to Kellie no later than June 16, 2009

Application information may be found at www.rotary.org. To get to the educational programs' information/application click on the Students and Youth tab, then on Educational Programs. You will find the programs listed on the left side of the Educational Program page.
